

APRIL 2010 PRAYER LETTER

Medical Missions Team

with medical consultation, the team also had a pharmacy, that was able to supply free medicines to those in need. The clinic was held at the building we are currently meeting in, helping to make even more people aware of the church's location. Every one there went home with a Gospel of Mark, salvation tract and an invitation to come and visit again. Please be praying that God will use the physical and spiritual help these people received to do a mighty work in their lives.

Baptismal Service – March 28th

Thank you so much for praying for the baptismal service. Praise the Lord, it was a wonderful day of celebration and a great picture of Christ's death, burial and resurrection the week before we celebrated Easter. The small store front we are renting was packed to over-flowing with 85 people in attendance. After a few stirring messages and some special music, each one of the six being baptized shared their personal testimony with everyone. How exciting to hear how God changed each of their lives, whether they grew up in a Christian home knowing the Gospel from a child, or

whether they had only recently heard the Good News. The entire service was centered around the baptism and it was a great encouragement to see the six baptized not just state publicly their faith, but to see them continuing to living it. Each of them were so excited to follow the Lord's command to be baptized. Igor, the taller young man that was baptized, was so thrilled that as he came out of the water he shouted, "Praise the Lord!" His excitement was very catching, and what is even more thrilling is to see how it is spreading amongst the rest of our teens. The service ended with all the believers taking the Lord's supper. This was another opportunity for those baptized to obey the Lord's commands and to remember His sacrifice for us on the cross. In so many ways, the Gospel was presented and several unsaved guests saw clear examples of God's love for us. At the end of the service, each of the 6 baptized were presented with gift Bibles. What a thrill to see the joy on their faces as for some of them they held their very own Bible for the first time. Praise the Lord for their testimonies so far, but please pray for each of those baptized as they continue to grow in their faith and then as they live and share their faith out among many unsaved family and friends. Last Sunday the church all met together for wonderful Easter celebrations and it felt like a great culmination to several blessed weeks of ministry here in Moldova. Thank you for your prayers for the medical team, the baptismal service and Easter. Christ is risen! He is risen indeed!
