

APRIL 2012 PRAYER LETTER

International Women's Day

March 8th, International Women's Day, is a great opportunity to reach out to the women in our community. For five years now, we have used this special holiday, to invite women to come and enjoy a great time of fun and fellowship. It has also been a wonderful occasion for us to share the Gospel and plant seeds in the lives

of these women. Many of these women have come the past five years, but each year many new ladies attend. Although, Emily was at home on bed rest, she was able to plan most of the meeting, but missed the chance to actually participate. What a joy it was to see the ladies of the church step up and take on the responsibility

planning and preparing the food and then running the program. We had a special speaker, great music and at the end of the meeting each lady went home with a gift to

show them how special they are. **Please continue to pray for these ladies and for the seeds that have been planted and watered in their hearts.**

Family Update

After 6 weeks, of bed rest at home, Emily was admitted into the hospital on Friday. She is now 35 weeks along in her pregnancy, but was having some pains and other issues which concerned the doctor. Since we live about an hour from the hospital, the doctor wants Emily to stay in the hospital until our little girl is born. **Please continue to pray for Emily and the baby's health and then for a speedy recovery for Emily after her operation.**

Sveta

Missionary work and church planting all comes down to reaching people one by one and we want to share the story of one precious person. It has been a great joy to watch the transformation that has taken place in Sveta's life. She first started coming to the church, back in the fall, because a friend had invited her to our youth meetings. After a few months, she approached Daniel and told him that she was ready to be saved and give her life to God. It has been wonderful to see her desire to grow in her new faith and then to get involved in different areas

of the church. We have been going through a discipleship program with her for 4 months, but it always amazes us at the questions she has about her new life in Christ. Sveta is the second child in her family. Because her mother couldn't afford more than one child, she grew up in an orphanage, but was able to visit

her family twice a year. Despite her circumstances though, she has a sweet spirit and longs for the truth. **Please pray for Sveta and the others just like her we are trying to reach, that they will grow into mature Christians who faithfully serve the Lord.**

Praises

1. Great Women's Day celebration
2. Sveta's new life in Christ

Prayer Requests

1. Seed planted in women's hearts
2. Sveta as she continues to grow
3. Emily and baby's health
4. Complete phase 1 of church construction
