

JUNE 2010 PRAYER LETTER

Maranata Baptist Church

Our youth group had a competition the last two months to encourage them to faithfully attend church, invite new friends and memorize Bible verses. The youth were split into two teams and they worked hard in every area. At the beginning of April our regular attendance for youth club was around 15, but by the end of the competition the attendance was up to around 30. Starting this week and running all summer, will be an individual competition to encourage the teens to grow in different areas. Please pray that the growth we have seen in the past few months will continue, but most importantly please pray that the teens will continue to grow spiritually in their personal walk with our Lord. Please also keep praying for God's provision in our church building project.

Missions Team from Union Grove, WI

We are excited to soon be having a missions team come and help us for 10 days. They will be arriving on June 12th and staying until June 22nd. Please pray for safety as they travel. Their time here will be very busy with children's day camps, work on the church construction, a youth sports camp, and then a men's and women's seminar at the church. Please also be praying for each of the ministries and for the many people who will hear the gospel during this week.

Ford Family Update

Hannah and Josiah are loving the spring weather and every chance they get to play outside. Hannah's biggest adventure right now is our cat having kittens and Josiah is trying out more and more words every day. Please continue to pray for wisdom especially in helping them learn to obey, so they will understand how important it also is to obey God.

Emily's Corner

I have been encouraged to see the excitement in the women's ladies bible study as over the past few months we have studied our role as a wife, mother, and keepers of our homes. Please continue to pray for me as I lead these Bible studies. Pray that I will have all the right Romanian words to help them understand their God given roles and encourage them to put what they are learning into practice. Although we have had a lot of rain this spring, it has been great for our fruit trees and garden. This begins the season of canning and preparing for winter again. Along with my regular work and the ladies meetings, this will be how much of my time is spent this summer.

Praises

1. Excitement at the ladies Bible study
2. Growth in the youth /children's ministries

Prayer Requests

1. Church unity and growth
2. Missions Team from WI
3. Finances for Church Construction Project
