

## JUNE 2011 PRAYER LETTER

### Church Construction

Praise the Lord, work on the church building is progressing. We were able to begin the work the week after Easter

and have been excited every week to see the changes that are happening. As of right now, the exterior doors and windows have been installed and the front tower has been completely poured. The inside of the building has changed a lot as well. On the main level, the floor has gone from just dirt to poured concrete. The second level floor is poured and ready for future tile and laminate. When we

first move into the building, we will be using the second floor room as our main meeting area, so the stairs are all poured and the interior walls are going up now. Pipes and radiators

have been installed upstairs that are ready to hook up to a future boiler system. Please be praying for additional funds to come in to finish the heating project before this winter. The pictures below give you a bit of an idea of what the shape of the room will look like. We are thrilled with how everything is looking and each day it gets easier to picture us in our own building. **Thank you so much to each of you who have prayed for the construction and also for**

**those of you who have given funds to help us with it.** In just a week, we will have a group of

men here in Moldova, from Faithway Baptist Church in Hampshire, IL, who will be helping us put up the ceiling in the main auditorium and also in the room upstairs where we will first be meeting. We are looking forward to having them with us, not only to help with the construction, but also as they minister along side us in the church. **Please continue to pray for our church and for funds to not just get in the building this year, but also to finish the entire building as God allows.**

### Region Wide Evangelization

Our region of Hincesti just held its second annual evangelistic meeting. There was a great turnout from all the villages in the region and from our city of Hincesti, we saw about 200 people come out of the many hundreds that had been invited to attend. **Please pray for the many souls that were saved during these services and the follow-up work that needs to be done. Praise the Lord, He is still the Lord of the harvest!**

### Praises

1. Great region wide evangelization
2. Church construction is progressing

### Prayer Requests

1. For God to work in the hearts of those at the evangelization
2. Church construction
3. Work Team coming to help with ceiling project
4. Teens going to camp on the week of August 1st
