

## NOVEMBER 2010 PRAYER LETTER

### Thanksgiving

We have had the privilege of celebrating Thanksgiving 3 times since we arrived in North America back in October. First we were with Emily's family in Canada, then Daniel's whole family in Michigan and then with our church family here in Georgia. We are overwhelmed and thankful for all God has done in our lives over the past year and for all that he is teaching us even now. We are thankful for each church and Christian that prays for us and supports us. Thank you for making it possible for us to continue serving the Lord in Moldova.

### Maranatha Baptist Church

In our absence, we have four men leading the church and running the services. We are thankful for their willingness to take on more responsibilities to give us this chance to visit churches and family. Please be praying for the church right now as they are beginning to prepare for winter camp and many other programs that will happen over the next few weeks. Emily prepared most of the winter camp program before we left, but there are still many other things that will have to be done before the 27<sup>th</sup> of December when winter camp begins. Thank you for your faithful prayers for us and for the church.

### Church Construction

Winter has come and with that means no construction until the spring when everything thaws out. We still have much that needs to be done, but are convinced that God knows the plans He has for the church and His timing is always perfect. Please continue to pray that God will supply the \$ 35,000 that we still need for the first phase of the building.

### Emily's Corner

As we have been travelling to churches it has been such a blessing to be with family and friends again. We are so thankful for a wonderful group of people that have encouraged us and who are always praying for us. The kids have done great during all the travelling. Hannah thinks every new place we go is our new home and that everyone we meet is her new friends. Their excitement has made the many changes and many miles much easier to handle. Please continue to pray for us as we have another 6 weeks before we head back to Moldova.
