

SEPTEMBER 2010 PRAYER LETTER

Maranata BC Summer Events

It has been a busy summer here, but one filled with many blessings and many chances for God to work. In August, several Baptist churches in our region joined together with us for a large evangelization right here in our city. We all went door to door and invited everyone to come. Both nights the culture hall was overflowing with over 600. We praise the Lord that scores of salvation decisions were made both nights. Please pray for them as they learn to grow in their new faith.

Daniel took eleven of our youth to a camp just for Christian teens in July. It was a great week of encouragement and growth for them and already we are seeing the results of decisions they made.

The last weekend in August, Daniel took all the men on a two day camping trip. He was able to encourage and challenge them to be true leaders in their homes and in our church and to fulfill their roles as men of God. While the men were out camping, all the ladies came over to our house to learn how to make pizza and enjoy an evening of fellowship together. We have seen God working in the people's lives and are thrilled to watch them grow. Our fall programs all back up this week and we are excited to see what God has in store for us the rest of this year.

Church Construction Update

When we look back over the past 2 years, we can testify of God's faithful provision for this project. Currently we are still praying and waiting on the Lord for enough funds to get the building roughed in with two small rooms finished so we can move in and begin using it. Praise the Lord we have recently received several donations totaling \$5,000 toward this need, but we are still in need of another \$35,000. Please watch and pray with us for this important need.

Emily's Corner

Thank you so very much for praying for our ladies meetings. We have finally finished "A Woman After God's Own Heart" and it has been wonderful to watch the

women grow. I have been thrilled to also see them growing to love each other, which has brought a lot more unity. Please continue to pray for these special women. Home life is always busy with the two kids. They have loved being outside this summer and soon Josiah will be celebrating his 2nd birthday. As the kids continue to grow, please pray that we have more wisdom as we raise them to love and serve our Lord.
